

FACTSHEET

Intellectual Property/ Information Technology Protecting Your Competitive Edge

A photograph of a modern office interior. On the left, a whiteboard is visible with some faint markings. To the right, a white, round table is supported by a single, thick, light-colored wooden leg. The background is a bright, slightly blurred office space.

Schellenberg Wittmer's Intellectual Property/ Information Technology Group features specialists with extensive experience in advising and representing clients in litigation and arbitration proceedings in the IP/IT fields and in drafting and negotiating IT contracts and other agreements involving IP rights.

Our team pursues a practical, result-oriented approach. We strive to provide our clients with timely, clear, concise advice and to achieve their objectives efficiently and cost-effectively.

Our Intellectual Property/Information Technology Group is listed among the leaders in Legal 500, Chambers and PLC Which Lawyer. Andrea Mondini is specifically singled out and recommended as a premier lawyer in this field.

«-----timely, clear and
concise advice-----»

Experience & Expertise

Our Intellectual Property/Information Technology Group represents clients in litigation and arbitration proceedings involving:

- > the validity, infringement and counterfeiting of trademarks, patents, copyrights and designs;
- > domain name, know-how and unfair competition matters;
- > licensing, R & D, technology transfer, franchising, distribution and IT agreements.

We also assist clients in the following areas:

- > advising on intellectual property issues and strategies;
- > drafting and negotiating licensing, R & D, technology transfer, franchising and distribution agreements;
- > drafting and negotiating IT outsourcing agreements and other IT contracts;
- > conducting IP due diligence and drafting IP transfer agreements;
- > advising in the fields of media, sponsoring and advertising law.

We have significant expertise in the following industry sectors:

- > pharmaceutical products and medical devices;
- > Internet and IT;
- > electronics;
- > consumer and luxury goods;
- > film and entertainment;
- > restaurant and hotel franchising;
- > telecommunication and digital network providers;
- > automotive and mechanical industry.

Skills & Resources

Our Intellectual Property/Information Technology Group is composed of lawyers specializing both in IP/IT and in litigation/arbitration. As a result, we offer our clients representation at the highest level in IP/IT disputes, which often involve complex procedural issues in multiple jurisdictions.
